## Pricing.

The cost of the course depends on how many modules you wish to pay for at once. For up-to-date pricing information, please visit the [price page on our website](#).

Students are allowed up to 2 year to complete this course.

# Enrolling

We open enrolment to new students 3-4 times throughout the year. This is your chance to secure a place on your chosen course and begin your creative journey.

As the UK's largest distance learning offering online accredited textile craft courses, demand for these courses is high. Therefore we only invite those who have previously 'expressed an interest' to enrol. If you'd like to be invited to enrol when it opens then please make sure you **register your interest**.

Upon enrolment you will be asked to agree to and abide by **SST's terms & conditions** relating to this course.

# Supporting you

Although our courses are taught via distance learning we encourage students to connect with each other to share their learning journeys.

When students enrol they are invited to join their own unique 'group' on Facebook. These groups include students who will be starting their course at the same time as you.

This is a great way of allowing students to really feel like they are part of a group where they are able to express any concerns and share their creative progress. We also hold regular 'live chat' sessions with tutors.
